Dear Ms. Cattell,

Textron Fastening Systems believes that Delphi has received goods on credit from Textron Fastening Systems while Delphi may have been insolvent. Pursuant to Section 2-702 of the Uniform Commercial Code and other applicable law, demand is hereby made by Textron Fastening Systems to reclaim all goods received by Delphi on and after September 18, 2005.

Documentation regarding the identity and purchase price of the goods is enclosed.

We demand that you immediately segregate all of the goods which we have sold to you or allow us to take an inventory of the product we have sold to you for purposes of determining the goods subject to reclamation as of the petition date. We further demand that you either return these goods to us or allow and pay the amounts due as an administrative claim in accordance with section 546© of the Bankruptcy Code or in such manner as any reclamation order entered by the Bankruptcy Court directs.

We do not intend this letter to violate the automatic stay provided for in 11 U.S.C. 362. Instead it is intended to be in the nature of the type of notice provided for in 11 U.S.C. 546©.

Your immediate written response to this reclamation claim is required. If Delphi is not insolvent within the meaning of Section 2-702 of the Uniform Commercial Code, please advise us immediately in writing.

Very truly yours,
